# DALLAS MUSEUM OF ART JUNE-AUGUST SUMMER SPOTLIGHT

DALLAS MUSEUM OF ART presents  
**SUMMER SPOTLIGHT TOUR**

**IN THE GALLERIES ON LEVELS 2, 3, AND 4**

The Dallas Museum of Art goes to the movies this summer and invites you to view works in our collections through a cinematic lens. As you tour the galleries, look for thirty works of art that are spotlighted and have special labels in front of them. These labels tell a story about each work that connects to a movie genre: drama; love and romance; action and adventure; and horror, mystery, and suspense.

Discover what happens when we shine a spotlight on some of our most iconic and expressive works. Journey under the sea with Louis Comfort Tiffany. Lose yourself in the romance of portrait artist John Singleton Copley. Delve into the mystery and suspense of Edward Hopper. And discover some great movies that relate to these works.
